THE OREGON COAST

The Wild Rivers Coast Food Trail is a collaborative effort to connect people to the bounty available on Oregon's South Coast. Supporting local food is a way to support our communities and the producers and crafters who work hard to grow and use our local ingredients.

## TRAVEL TIPS

The Wild Rivers Coast Food Trail is open to visitors throughout the year and is designed to be explored at your own pace – you are welcome to start and finish wherever you like. To ensure a positive experience, please check the hours of operation for each business online or by phone and note when advance reservations or appointments are required.

Before setting out along the Wild Rivers Coast Food Trail, plan ahead by mapping your route to make it easy to navigate remote areas without cell service.

High season varies per business. Seasonality of key products is listed below:

- Blueberries: July - August
- Cranberries: Mid-October - early December
- Pumpkin Patches: Late September - late October
- Dungeness Crab: Late December - August

The working farms along this trail provide some of the most unique and engaging experiences. We ask that you respect the invitation to enter each property and be cautious around farm animals and equipment. Children must be supervised at all times and you should be prepared to follow all site-specific rules. For your safety and comfort, be prepared with appropriate footwear, sun protection and water.

Your experience along the Wild Rivers Coast Food Trail should not end when you leave the area. We encourage you to bring a taste of your journey back home to share with friends and family as a reminder of the bounty available along Oregon's Wild Rivers Coast.

## BERRY BYWAY ITINERARY PORT ORFORD TO BANDON

*Ramble along the berry trail from Port Orford to Bandon for a bucketful of sweet tastes.*

Start your morning with a hearty breakfast at **The Nest Cafe**, before stopping next door at **Port Orford Community Co-op** to pick up a basketful of picnic provisions, including organic meat, fresh catch and seasonal produce like sun-kissed, handpicked strawberries, raspberries and blackberries from **Valley Flora farm**.

Head north on U.S. 101 to **Peters Cranberries** farm stand for fresh, tart, sustainably grown cranberries as well as jams and berry vinegars to take home. Keep heading north, stopping along the way to enjoy blueberry u-pick experiences at family farms like **Jensen Blueberries**, **Valentine Blueberries** and **Twin Creek Ranch**.

Spread your picnic blanket in the sunshine at **Dragonfly Farm & Nursery** in Langlois and enjoy a post-lunch stroll through the verdant grounds and greenhouses. Make sure you pick up a bottle of Grandpa Jack's cranberry concentrate - made with **Bowman Bogs** cranberries - before you leave.

In Bandon, quaff a fruity pre-dinner drink at one of the local watering holes - cranberry rum at **Stillwagon Distillery** or cranberry cider at **Bandon Rain**. Top your day off with an early dinner at **Tony's Crab Shack** in Bandon, where they offer a variety of seafood options such as Dungeness Crab or Oysters Orlean.

## SEAFOOD SEARCH ITINERARY GOLD BEACH TO COOS BAY

*This made-for-grownups culinary treasure trek starts with a 3-day weekend booking at **Endicott Gardens Bed & Breakfast Spa Retreat** in Gold Beach.*

Arriving on Friday afternoon, head into town for an early dinner at **Barnacle Bistro** - try the crab cakes made with locally-caught Dungeness crab and Oregon bay shrimp. (Remember to swing by **Fishermen Direct Seafood** first to pick up some freshly canned albacore tuna and salmon to take home at the end of your stay.)

Saturday morning, head out bright and early for a two-hour exploration by kayak from Port Orford with **South Coast Tours**. Fish from the boat, forage for mussels and edible seaweeds, or just enjoy bird watching in the refreshing sea breeze. Then head north to Coos Bay, where **Shark Bites Seafood Cafe** is serving up local Coos Bay oysters for lunch! After spending the day exploring Coos Bay, enjoy world-class sushi at **Tokyo Bistro** in the historic Empire District, before returning to Gold Beach for the night.

Sunday morning you can sleep in, before heading north up the 101, stopping off in Port Orford for an ocean view lunch at **Redfish**. Check out the working waterfront, where the unique dolly dock lifts boats in and out of the water by crane. Make sure to leave time for stops in Bandon at **Farm & Sea** and **Mother's Natural Grocery** for coastal goodies to take home, and in Winchester Bay at **Umpqua Aquaculture** for fresh oysters (packed on ice, of course!).

## TIMELESS BEAUTY ITINERARY REEDSPORT TO BROOKINGS

*This dreamy drive from Reedsport to Brookings passes through some of the South Coast's most stunning landscapes.*

From the Umpqua River Scenic Byway catch a glimpse of majestic Roosevelt elk at the **Dean Creek Elk Viewing Area** followed by a hearty breakfast at Reedsport's **Harbor Light Restaurant** with offerings of salmon harbor browns and country fried steak. Further south in Coos Bay, stop in at **Coos Head Food Co-Op** for energy-packed snacks and beverages to take with you.

Grab a cup of organic fair trade coffee at Charleston's **Bayside Coffee & Tea** before taking a stroll through the lush formal gardens at **Shore Acres State Park**, where you can view dramatic surf crashing below the soaring cliffline. Back in Coos Bay, enjoy a vegan lunch and refreshing smoothies made from house-made nut milks and fresh berries at Coos Bay's **Noster Kitchen**.

The **Samuel H. Boardman State Scenic Corridor**, between Gold Beach and Brookings, is 27 miles of Oregon Coast trail winding through towering Sitka spruce, with numerous pullouts and striking vistas of Arch Rock, Natural Bridges and other wind sculpted sea stacks.

End your day in Brookings, with dinner at **Fat Irish Kitchen & Pub** (in the harbor) or **Oxenfré Public House** (downtown). Top things off at **Chetco Brewing Company's** lively tasting room, or get a growler to go and watch the sunset from the windswept beach.
