Tours at 9:30, 10, 10:30

Please meet on the sidewalk by  
Port Dock 5 in Newport.

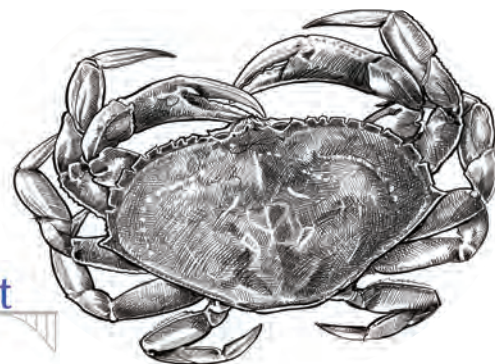

Join Oregon Sea Grant to learn about Newport's commercial fisheries! We will tour the commercial fishing docks for an up-close look at our fishing industry. Learn about what's in season, how it's caught, why it's sustainable, and how to purchase high quality seafood!

Tours run 60-90 minutes and are on a first come, first served basis. Contact us ahead of time if you are a group of 5 or more. Tours may be possible at additional times, as needed, for larger groups.

Please arrive early to find parking. Note that there is a nominal fee for parking along much of the Bayfront.

People interested in purchasing seafood should bring cash and a cooler with ice. Comfortable shoes with good traction are a must for everyone as you will be walking a long distance.
